

Delta Landing Zinfandel Lodi

Oak Ridge Winery (Delta Landing)

United States - California - Lodi

Explanation about the name "Delta Landing": An extensive system of estuaries where water flows throughout the coast range connecting a series of waterways and wetlands. This isolated and exotic confluence of rivers promotes one of the most unique and fertile agricultural areas in the world. Warm breezy summers coupled with sharp foggy winters creates enticing varietals that will enchant your palate.

Opulent and bold, the Lodi Zinfandel is alluring and powerful yet perfectly balanced. The fruit is lusty and pepper tinged with deliciously smooth, intense red and black fruit flavors of cherries, raspberries and blackberries. This juicy, medium bodied wine shows off bright acids and soft tannins for an exhilarating and significant finish.
