

Hoopes Cabernet Sauvignon Oakville

Hoopes Vineyard

United States - California - Oakville

“Our flagship wine is, and always has been, the soul of our farm. Crafted from our ten-acre vineyard in the heart of Oakville, planted in 1983, it was previously a fruit source for a number of famous estates until we started winemaking ourselves. The soil is dense in geologic composition, featuring four different types of soil. One, volcanic, is unheard of in the Oakville sub-appellation, with the exception of To Kalon, and is rarely, if ever present, in valley floor vineyards. We harvest this vineyard in fourteen small batches, despite the small size, to ensure the perfect balance of acid, flavor, and tannins. ”

This wine's deep garnet hue invites you to dive into the nose as it opens with soft fruity-floral aromas of lilac and rose petals then moving into red fruits, pencil shavings, honey and plum. The aromas are deceptively delicate and refined with an ethereal quality. The mouth is more concentrated leaning towards ripe, rich black fruits. Juicy blueberry and sweet licorice flavors carry into the mid-palate with an open, spacious and inviting character. Lush, elegant, tannins support a mouthwatering finish with a savory aspect and notes of black tea bringing the wine to a balanced and layered close.

Specifications	
Appellation	Oakville
Varietals	100% Cabernet Sauvignon
Soil type	clay, loam, volcanic, sand, boomer
Vinification	Aging for 22 months in 100% French oak barrels (45% new)
