

## Hugl Sparkling Gruner Veltliner

Hugl-Wimmer

Austria - Weinviertel

Poysdorf lies on the same line of latitude as Champagne, and the climate is similar. Hugl was anxious to take advantage of their resources and produce this Veltliner-Sekt!

This bottle fermented sekt displays a pale golden color with a glint of green. Yellow fruit aromas, dry with a soft, juicy structure and a pleasing streak of minerality. Notes of crisp apple and pear.

### Specifications

|                     |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Varietals</b>    | 100% Gruner Veltliner                                                                                            |
| <b>Vinification</b> | Ripe grapes are gently pressed & fermented refrigerated. Vinified in stainless steel (no oak). Bottle fermented. |
| <b>Pairings</b>     | Delightful as an aperitif, or pair with Thai cuisine or sushi.                                                   |
