

La Petite Frog Cotes de Thau White

Les Costieres de Pomerols

France - Languedoc-Roussillon - Côtes de Thau

This blend is crystal clear and pale yellow with an intense nose of citrus fruits (lemon, lime) and a hint of seawater. It is supple and light with an explosion of citrus aromas and a marked mineral taste.

Starting with the 2023 vintage, we reintroduced some Picpoul to the blend. Several blends were tasted blind and the winner had 20% Picpoul, 50% terret and 30% Colombard.

Then, in January 2025, we selected a 2024 vintage blend with 1/3 Picpoul, 1/3 Terret and 1/3 Colombard.

Specifications
