

Lady Hill Columbia Valley Cabernet Sauvignon

Lady Hill Winery

United States - Washington - Columbia Valley

Intense hues range from wine purple to sangria showcasing Cabernet Sauvignon’s genetic predisposition to tiny berries packed with color making molecules called anthocyanidins. Chocolate covered cherry and subtle blackberry liqueur combine New World fruit flavors with savory olive tapenade, dried herb de provence and a tinge of minerality found in ancient volcanic soils. The subtle wood impact of 10% new and once filled barrels keeps the focus on fruit and spice, while maintaining the characteristic dusty tannins and lingering finish that Cabernet Sauvignon has become famous for.

Specifications	
Appellation	Columbia Valley
Wine Type	Red
Varietals	100% Cabernet Sauvignon
Age of Vines	Between 20 and 40 years old
Agricultural Practices	Sustainable
Soil type	Loess and Loam planted at 1200-1300 feet of elevation above the Missoula flood plain.
Vinification	Located on the far reaches of the Yakima Valley, you’ll find 2 of the most iconic grape growing sites in Washington State. Between Slide Mountain and Red Willow vineyard, Lady Hill sources 8 separate clones (2,4,5,6,8,10,21,25) of Cabernet Sauvignon. Red Willow and Slide Mountain vineyards in Yakima Valley, both planted in the early 80’s to CS. /> Harvested at optimal phenolic ripeness between early and mid October and fermented with a combination of house selected yeast strains, the wine was pressed off the skins after 20-25 days and aged in a combination of 10% new, once filled and neutral French Oak barrels for 24 months to showcase the beauty and complexity of this noble grape variety.
Production	327 (9-liter cases)
Pairings	Pan roasted veal chops, grilled veggie pizza or a can of Cougar Gold Cheddar.
