

Mas Sinen Clos Priorat

Mas Sinen

Spain - Catalunya - Priorat

Before the 2017 vintage, this wine was called Negre. It is the same vinification and level of excellence as the prior cuvee, but with a different name.

It's quite ripe, concentrated, powerful and oaky with black rather than red fruit and peat and graphite aromas. The palate is full-bodied with plenty of rough-hewn tannins and moderate acidity, and is in need of bottle age and/or powerful food. An XXL Priorat.

Specifications
