

## Mt. Crawford Chardonnay

Thorn Clarke

Australia - South Australia - Eden Valley

The wine is a pale straw color with a green hue. The nose displays some complexity with white peach and citrus, complimented by underlying nutty characteristics. This is a medium weight wine with peach and citrus characters, a creamy mid palate, balanced nicely with a tight acid line. The wine finishes with balance and a good persistence.

### Specifications

<b>Appellation</b>	Eden Valley
<b>Varietals</b>	100% Chardonnay
<b>Vinification</b>	The fruit was pressed (using an airbag press). After settling, each batch was assessed and either allowed to naturally ferment, or inoculated with a neutral yeast to emphasis the fruit. Approximately 20% of the blend was transferred as juice to new French oak barrels and underwent barrel ferment. After fermentation the yeast lees were stirred for 4 months (battonage), and sulphured up so as to minimise any malolactic fermentation and retain the refreshing acid balance.
<b>Pairings</b>	The winemaker recommends trying this wine with chicken teppanyaki.
