

Pernot Belicard Bourgogne Aligote Vieilles Vignes

Domaine Pernot Belicard

France - Burgundy - Bourgogne Aligote

Pernot Belicard Aligoté is produced from old vines planted in 1956 and 1971 by Philippe Pernot's grand father.

Wine is very aromatic, with some tropical notes with a hint of white flowers and white peach. The wine is also quite mineral, due to the Aligote grapes grown on limestone soils in the commune of Puligny Montrachet. Finish is long and balanced.

Specifications

Appellation	Bourgogne Aligote
Wine Type	White
Varietals	100% Aligoté
Age of Vines	Average 60 years
Agricultural Practices	Sustainable
Soil type	hard Jurassic limestone
Vinification	stainless steel usually, but Philippe used 50% oak barrels & 50% stainless steel in the 2021 vintage as many oak barrels were empty due to the very small harvest.
