

Podrumi Kresic Grasevina Experience

Podrumi Kresic

Croatia - Danube

Herbal notes (in a good way) of a beautiful and intense fragrance with aromas of tropical fruits

Specifications	
Varietals	100% Grasevina
Agricultural Practices	Biodynamic
Soil type	chemozem, with a significant presence of sierozems (regosols) and colluvial
Vinification	Harvest by hand. 100% destemmed. Vinified in stainless steel tanks for 6-8 months with extensive contact with the fine lees. No ML fermentation. > Slightly filtration before bottling After bottling the wine is aged for another few months.
Pairings	It pairs excellently with moderately to heavily spiced white and red meat dishes
