

# Praia Vinho Verde

Quinta da Aveleda ( Praia )

Portugal - Vinho Verde

Praia, which means "beach" in Portuguese, is a smooth and fresh wine with delicate and lovely fruity flavors. Slightly spritzy, it is well balanced and very refreshing.

The region is typical for its unique wines that are fresh and light, combined with a very well balanced acidity. These characteristics result from the region's unique soil and climate, with a strong Atlantic influence that you will identify when you taste it.
