

Riley's Rows 3x3 Red Blend

Flanagan Winery

United States - California - North Coast

Riley's Rows "Three by Three" Proprietary Red Blend North Coast is a great wine from some of the winery's favorite North Coast vineyard sites. The Merlot is from their Brandt ranch in Lake County...which, is one of the best vineyards in Lake County. The Cabernet and Syrah are both from great Sonoma County sites.

Riley's Rows 3 x 3 displays a nose of ripe plum and Bing cherries with a hint of cocoa. The palate opens with ripe red berries. The mid-palate offers a delicious melange of blackberry, Rainer Cherry, and nutmeg. The wine has a long finish, very balanced acidity, and soft tannins. The wine is approachable now but will age nicely for many years to come!
