Rubus Icono Malbec

Rubus Project

Argentina - Mendoza - Uco Valley

Sourced from ten-year-old vines in Paraje Altamira.

This Icon Malbec is suave and rich, offering loads of dark plum, currant and dried blackberry flavors supported by notes of soft spices. Molten chocolate notes emerge on the mid-palate, with Asian spice accents. The finish is long and ripe with a loamy character.

Wine is made by world famous winemaker: Walter Bressia
