| <b>Vinification</b>           | <p>Grown on our Waipara Valley vineyards the grapes were harvested over a period of two weeks at varying degrees of ripeness allowing for a range of fruit flavours and complexity.</p> <p>This shows in the final wine with great depth of flavour throughout the palate with well balanced acidity leaving you wanting more.</p> <p>Wine was vinified and aged in stainless steel tanks. No Malolactic Fermentation.</p> <p>Wine was slightly filtered before bottling.</p> |
| <b>Production</b>             | 1,000 (9-liter cases)                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
