

Taboadella Reserva Touriga Nacional

Quinta Da Taboadella

Portugal - Dao - Dao

Touriga Nacional is the international icon of Portuguese grape varieties. It originated in the region where it finds its greatest expression - the Dão. At Taboadella it is grown close to the ground, and sparkles in the sunlight - a great example of its natural acidity in this exceptional terroir. This is a wine of great complexity offering violet aromas that combine perfectly with black spice and the quarzitic aroma of wet granite coming from the high altitude soils.

Specifications	
Appellation	Dao
