

**Zaccagnini Falerio Pecorino DOC**  
**Azienda Agricola Zaccagnini**  
**Italy - Marche**

Straw yellow color, with golden to greenish reflections. Olfactory, this wine is complex and intense, with floral, herbaceous and fruity notes.

| Specifications         |                                                                                         |
|------------------------|-----------------------------------------------------------------------------------------|
| Wine Type              | White                                                                                   |
| Varietals              | 100% Pecorino                                                                           |
| Age of Vines           | Average 10 years                                                                        |
| Agricultural Practices | Sustainable                                                                             |
| Soil type              | Calcareous with sand                                                                    |
| Vinification           | hand harvested- no sorting table-destemmed-vinification and refining in stanless steel. |
| Production             | 3,000 (9-liter cases)                                                                   |
| Pairings               | Any seafood, white meat and vegetables. Soft cheese.                                    |
