

Zanon Pinot Noir Russian River Valley

Zanon Wines

United States - California - Russian River Valley

Zanon Pinot Noir is a classic example of a stylish wine made from the cooler-climate region of the famed Russian River Valley. The wine exudes typical vibrant black cherry aromas along with a dash of allspice in an elegant fashion. A silky layered texture is framed by lovely acidity and lower tannic structure. Enjoy this wine in its youth.

Five separate Pinot Noir vineyards contributed to this wine from the famed and beautiful Russian River Valley AVA. Cool evening fog from the nearby Pacific Ocean help to develop full flavors and preserve its vibrancy, natural acidity, and pureness.

Specifications	
Appellation	Russian River Valley
Wine Type	Red
Varietals	100% Pinot Noir
Age of Vines	28 years
Agricultural Practices	Sustainable
Soil type	a fine sandy volcanic loam known as Goldridge .
Vinification	The 2018 growing season saw much rain early but then summer was blessed with warm weather and mild temperatures allowing the grapes to reach full ripeness with balanced acids. Harvest began mid-September. The grapes exhibited exceptional aromatics and medium tannins. Open top fermentation occurred in stainless steel tanks with daily pump overs to extract color and flavor from the skins. /> Wine was aged for 9 months in French Oak barrels (25% new)
Production	400 (9-liter cases)
Pairings	salmon, tuna, pork, mild sausages, turkey, duck, and lamb.
