Xavier Vignon Vins

France - Rhone Valley - Cotes du Rhone AOC

The diversity of terroirs used in this blend allows this wine to combine freshness and balance.

We used Clay and limestone plots located on the hillside where old Grenache naturally express roasted hints. We could obtain in this wine empyreumatical hints without the use of barrels. These plots particular soils and orientation allowed grapes to reach an optimal level of ripeness while conserving a good acidity level.

We also integrated grapes coming from plots located on red rocky clay soils also named "garrigues". These big red stone are restituting heat coming from the sun at night and bring power and structure to the wine.

Also the blend features vines coming from sandy clays, which are light and rather fresh soils: this allowed the wine to maintain a freshness and vivacity.

Bouquet of cassis, blueberries, lavender, cured meats, and graphite. It's deep, rich, medium to full-bodied, and has a great finish. The Mourvèdre keeps this tight and fresh.
